Subject: Welcome to Hermosa Beach

Sergio,

First of all, welcome to Hermosa Beach. I look forward to introducing myself at a future city function or meeting. My name is Barbara Ellman, I am a 30 plus year resident of Hermosa Beach and one of the city's biggest fans. I have been active in many different city projects and believe most of the time I have a good feel for why something will become a big issue before the word gets out and hits Facebook or the local papers. I attended last week's study session and spoke briefly about getting information about past lawsuits the city has had to deal with in terms of mistakes businesses have made by not following a rule or procedure with regards to their CUP.

I think it's important that businesses and residents understand the ramifications of not following city code and not only the financial ramifications but more importantly the safety of visitors and residents because of these mistakes. I am asking for your assistance in getting information from the city attorney about lawsuits and settlements we had to deal with since 2013. I hope I'm correct that this information would make it a little easier to understand the importance of city codes.

Thank you for your time. If you have any questions please feel free to contact me by phone or email.
